

A Kid's Place Drop In Child Care Preschool

Dear Parent of a 2 year old,

Our Goals

Our 2 Year Old Program goal is to assist in the development of your two year olds confidence and ability to interact in social environments without a parent. We will do this by promoting age appropriate social skills and interactions. Please know that we do require your child to be 2 years old before the start of classes.

Our Program

Our program will be one hour and fifteen minutes long, once a week. Spaces are limited to 6 children per class. Our curriculum will include exposure to music, stories, poems, colors, shapes, numbers, letters and art. We will be emphasizing language development, turn taking, listening skills, following directions, lining up, sharing, and learning to play well with others. We do **not** require children to be potty trained to attend this program. Program days and times are as follows:

Classes offered:

Thursdays

- 9:00 AM - 10:15 AM: For children currently enrolled at A Kids Place
- 10:30 AM - 11:45 AM: For children new to the facility

Tuition

The two year old program registration fee is \$40.00 per year, and is non-refundable. The registration fee and half of the first month's tuition along with the registration form and all daycare paperwork are due when you sign your child up for the program. (\$40+28= \$68 due at Registration.)

Tuition is \$55.00 a month and is paid on a monthly basis, due at the first class of each month. A \$10/week late fee is charged after the first week.

Children may arrive at the start time of the session and must be picked up no more than 5 minutes after dismissal. Children here more than 5 minutes before or after the session will be transferred to the daycare staff and charged according to drop in rates.

Our Teacher

Ms. Alissa is a certified elementary and special needs teacher with an extra certification in early childhood education. She has been with us for 17 years and this is her 13th year teaching our preschool programs.

Parental Involvement

Parent involvement is absolutely minimal. You drop off and pick up your child. Remember that we sometimes have drop-in slots for before or after school care each day.

If our program sounds like something you would be interested in, please call or stop by to sign up.
